

Fresh Fruit & Vegetable Program at St. Rose

St. Rose received the Fresh Fruit and Vegetable Program grant! Your child will now receive a fresh fruit or vegetable every afternoon for a snack. This is free to St. Rose and to your child! We thank the U.S. Department of Agriculture Food and Nutrition Service and the National

School Lunch Program for providing our school the funds to offer these fresh snacks each day. We also thank our school cook, Dawn Ruskell, for ordering and preparing these additional foods to students each day. We hope your child enjoys the afternoon boost of nutrients!
